Bo, David, Alisha-- Adam Voge (Voh-gee) of the Casper Star Tribune will be writing an extensive Sunday column on Pavillion, likely an opinion piece.

Based on a vm I just rec'd, the column will be negative and focused on the perceived lack of explanation for EPA's extension of public comment and our refusal to answer Qs directly about the status of peer review, etc.

Reporter has our statement. He wants to know if we have any additional information we want to provide before he submits his column-- deadline is noon MST. His direct # is 307-266-0561.

I will be traveling and on leave status beginning at noon MST. Paula Smith, our Public Affairs Director, will be available through the afternoon: 303-312-6630.

Thanks!
